Conclusion:

After Using External Energized Yantras we have corrected, transformed and increased positive energy or positive vibrations that brings positive qualities in our Sweet Home or Shop or Clinic.

Indirectly we have made Home as 'Temple Of God' and every person living in the home naturally Vibrates to the Highest Energy exist there. Brining Good Health, Loving Relationship, Prosperity, Abundance, Peace of Mind etc...

And Modern Electronic Gadgets has Harmful Negative Radiations but it cannot be avoided without using it. So by using the External Energized Yantras we can transmute the vibrations to Higher Frequency without damaging our body systems.

Finally Iam offering this Divine Work given to Me by My Beloved Guru Sadaguru Sri Sivapremananda Ji in the form of My Divine Mother to His Lotus Feet as Lotus Flowers.
